

# Power up your Coffee Morning creativity

We're always amazed at our hosts' creativity when it comes to raising life-changing funds. Just head along to our Facebook group page (search 'World's Biggest Coffee Morning' on Facebook) for more inspiration. In the meantime, here's a few ideas to get you started...

## Decorate your background

If you're joining a video call, you can use the virtual Coffee Morning background available to download on our website. Or you could set a challenge, such as: how green can you make your backdrop? People donate to give it a go.

## Put the name of someone special on a mug

Raise a mug together with the name of someone you want to celebrate, who has been affected by cancer.

## Host a quiz

Why not get everyone to take part in a quiz? You can create your own or download our Coffee Morning quiz online.

## Tips to add a virtual background

1. Save your preferred virtual background to your device
2. Sign in to your virtual call at the time your Coffee Morning host has invited you
3. Go to the Settings tab on the video call screen
4. Select your virtual background and click ok
5. Give it a moment to load and admire your new background decoration!

## Swap and share skills

If you've got a secret talent or secret recipe, now's the time to share it, in exchange for donations from everyone joining the call.

## Try fine-raisers

Make a list of words and actions people aren't allowed to say or do at your Coffee Morning unless they make a donation.

## We can't wait to see what you get up to!
