Grants to other institutions and partner organisations including releases of grants and adjustment for discounting	24,306
Total grants to institutions and partner organisations as per note 11 to the Macmillan Financial Statements 2023	<u><u>50,395</u></u>

Grants to individual institutions disclosed above represent new commitments in 2023 net of releases for any unused prior year commitments.

New grants committed in the year are recognised as charitable expenditure in the year in which they are made and are shown above.

Write-backs of underused grants are released against the line of charitable expenditure to which they were originally made.

Grants to institutions and partner organisations resulted in expenditure of £50,395,000 (2022: £60,331,000).
