

Ways to go the extra mile

Preparing for your event and thinking of ways to raise more funds?

Host a quiz night with your club, family or friends, a donation to enter. Whether it's golf legends, trivia, or technical facts, test yourselves on your golf knowledge.

Contact your local newspaper to feature your event, include a link to your team page, your club and let your community know why you're taking on the challenge.

For every ball that goes in the water, or bounces out of the hole, the player donates £5.

Host mini challenges across the course on the big day or in your training. Follow the challenges below or come up with some of your own, get creative!

Organise with your course which hole would be best to battle it out with closest to the pin and the longest drive. Set up a donation sweepstake with your teammates or nominate a friend or family member to get involved.
